K's DAYS CHRONICLES

Greetings to all,
We are very proud and excited to present
our very first issue of our Newsletter entitled
K's DAYS CHRONICLES.

It is a reflection of the triumphs and
aspirations of our little Karenites.

As we dive into another year of online classes
it's with renewed faith and confidence that
we continue to beat all odds and keep moving
forward.

We hope that this Newsletter is a testimony
to our motto 'LABOUR REAPS REWARD'

Enjoy reading!

FEAST DAY

Every year on 29th of April, St. Karen's celebrates its Feast Day.

On this day we pay homage to our patron saint, St. Katherine of Sienna in remembrance of her spirit of sacrifice, love, devotion and care.

This year too under the guidance of the teachers online, the students put up programmes, created beautiful craft items, drew and painted pictures of the saint and in some classes prepared beautiful bookmarks too. Some of our little girls also dressed up to portray Saint Katherine. Though everything was virtual this year too, the enthusiasm of the students was noteworthy as they went all out of their way to make this day a memorable one. Special prayers were offered for all those affected by the virus and it was a perfect way to kick-start a series of programmes planned for the days ahead.

EARTH DAY

22nd April is celebrated as Earth Day every year all over the world to demonstrate support for environmental protection. To address the issues concerned with environment and create an awareness among our Karenites, various activities were conducted online to encourage them to become environmental activists.

The students actively participated in activities like, 'Planting a Plant', making earth hats, crowns and badges.

The students of STD-4 & 5 coined slogans, gave speeches and recited poems to highlight the importance of this day. Though the students were at home, they still showed enthusiasm and zeal for the protection and conservation of their mother Earth.

MOTHER'S DAY

Mother's Day is a special day dedicated to honour and recognize the selfless sacrifice, love and devotion of all mothers. It was celebrated on the 8th of May in an exciting online event at our school.

The children participated in various activities making beautiful cards, bouquets and crowns for their moms. Some of them created special trophies of appreciation and had celebrations at home. They sang songs, recited poems and danced to entertain their moms on their special day. The little Kindergarten students made this day extra special by dressing up their moms and applying makeup and even painting their nails. The mothers truly felt on top of the world.

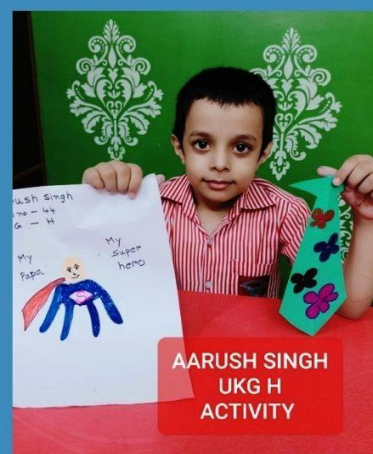

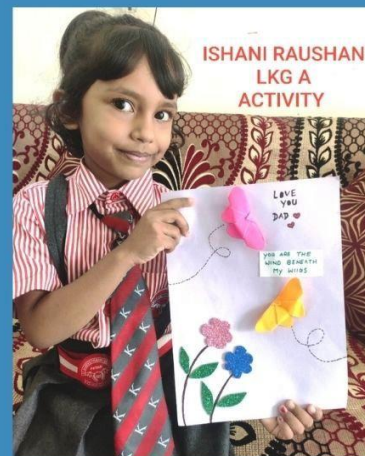

There is no role in life that is more essential than that of motherhood

FATHER'S DAY

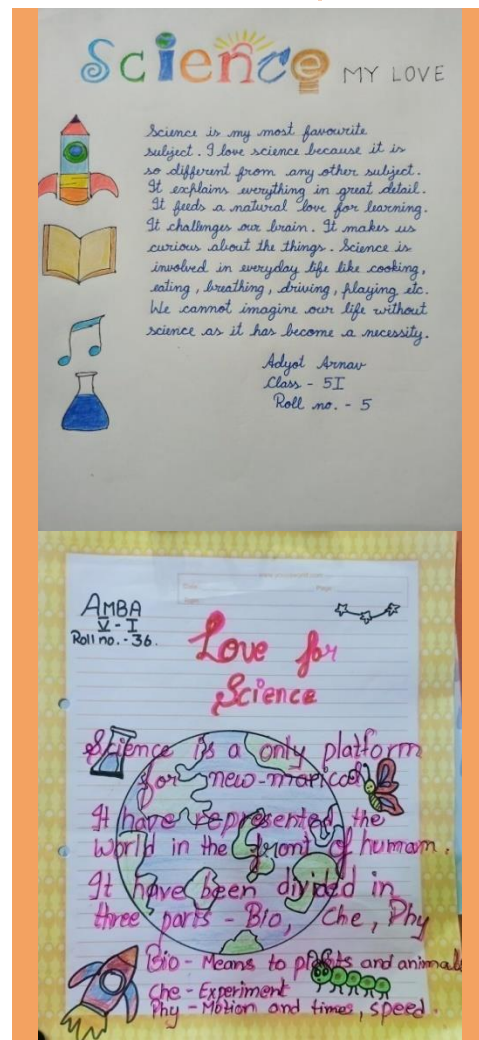

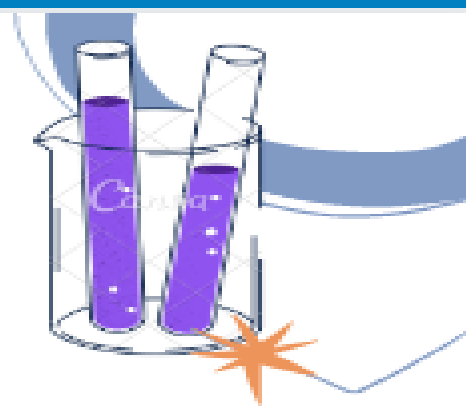

A day devoted to the most Devoted Amazing Dude "DAD" was celebrated at St. Karen's Primary School, The tiny tots of the Nursery section handcrafted funky ties for their Superhero dads and presented it to them on this special day. It was heartening to see the dads flaunting their little one's creation.

“ SCIENCE EXHIBITION ”

The best way to learn is by practical application. Students learn faster when they see how things work in real life. A science exhibition was organized for students to display their creations.

Mrs. P. Peters

A Beautiful Soul is never forgotten....

St. Karen's Primary School mourns the loss of one of the oldest teachers of our school Mrs. Priscilla Peters. Her unexpected and tragic demise has left us heartbroken and deeply saddened. She was a strong and positive lady. Her contribution of 29 long years of dedicated service will be forever etched in the annals of the school.

Her exemplary teaching skills and her positive attitude to teaching made her a TEACHER 'PAR EXCELLENCE'. Her loss is irreparable.

ST. KAREN'S has lost one of its finest GEMS.
May her soul rest in Peace.
