

Glimpses of Issue IV (Oct-Nov)

Mentoring
childhood
for better
tomorrow....

St. Karen's Primary School S. K Puri, Patna

Dear Students and Families

Greetings to all,

We are back with the third issue of our News Letter to update our dear parents with our activities for the months of August and September. It was amazing to see our students grow more and more confident as they actively participated in various online activities conducted by their clubs and celebrating festivals and important occasions.

The zeal and zest with which they keep alive our culture is commendable.

We appreciate the efforts and the enthusiasm of our parents which makes it possible for us to continue with our endeavours.

Story Writing Competition

The Writer's Club organized a short story writing competition at the school premises with an unique theme 'WRITEFLUENZA' the wings to your creative writing skills . The participants surprised us with their imaginative and creative skills. The overall experience of witnessing the competition was extremely awesome. Nobody ever imagined that we have such talents among us. All the participants worked really hard and it was a treat to watch them writing with their little hands and big imagination. So irrespective of the results everyone is a winner in our view. This competition was an incredible experience for each one of us.

Diwali

Virtual Diwali celebrations were held on 1st Nov 2021 to highlight the victory of good over evil. The colourful rangolis, decorated diyas, the sparkling lights and beautiful torans brought in the magic of Diwali as the students dressed in traditional attires recited poems and spoke about the importance of green diwali.

Book Review Competition

‘One cannot review a book without becoming a part of it.’

A “Book Review” competition was organized for the students of Std. 4 on the 27th of October 2021. The students brought the characters to life as they dressed and portrayed their favorite characters from the books they were reviewing. It was captivating to watch them highlighting the core essence of the books, as they skillfully recommended them to their audience.

'Trust yourself, You know more than you think you do'

A quiz contest was conducted for the students of Std 3. The finalists were chosen after a tough challenge where the contestants had to face 3 innovative rounds , the fastest hands first, virtual round and the rapid fire to test their mental agility and acumen. It was thrilling to see the razor-sharp contest between the students as they vied with each other for the winner's trophy.
